BY MAIL: I caused each envelope, with postage thereon fully prepaid, to be placed in the United States mail at Berkeley, California. I am readily familiar with the business practice for collection and processing of mail in this office; that in the ordinary course of business said document would be deposited with the US Postal Service in Berkeley on that same day. I understand that service shall be presumed invalid upon motion of a party served if the postal cancellation date or postage meter date on the envelope is more than one day after the date of deposit for mailing contained on this declaration.

BY FACSIMILE: *By use of facsimile machine telephone number (510) 845-3016, I served a copy of the within document on the above interested parties at the facsimile numbers listed above. The transmission was reported as complete and without error. The transmission report, which is attached to this proof of service, was properly issued by the transmitting facsimile machine.*

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct. Executed on February 28, 2006 at Berkeley, California.
